Sara Fitzsimmons	https://www.acf.org/science-strategies/biotechnology/documents-for-public-comment-period/
Kent Wilcox to All panelists	Andrew - unrelated topic. I will be sending an email to Dr. Powell regarding a high school science project here in NC. Will include you if I have your email address. Kent Wilcox
Andrew Newhouse to Kent Wilcox and all panelists	Hi Kent, my email will be on my last slide - feel free to get in touch!
Robbie to All panelists	we dont see James
Kim Steiner to All panelists	James is not visible.
Sara Fitzsimmons	https://www.acf.org/science-strategies/biotechnology/documents-for-public-comment-period/
John Lawson to All panelists	Sara- Your recent talk w/ Matt In Defense of Plants was great!
Sara Fitzsimmons to John Lawson and all panelists	Thanks, John! It was a fun interview and Matt is an excellent interviewer
Jules	The three-part safety test articles Andy referenced when he was discussing Section 9 can be accessed this page on TACF's website https://www.acf.org/science-strategies/biotechnology/
Phillip Hannam to All panelists	Can I submit on behalf of a group of individuals, for instance who co-sign a letter of support?
Jules	https://www.acf.org/wp-content/uploads/2020/08/web3-faqs.pdf
Lisa Thomson to Kim Steiner and all panelists	Kim it looks like your question to James wasn't finished...
zhigang to All panelists	Thank you very much for sharing!
Lisa Thomson to All panelists	We don't want to name our opponents by name, do we? mark m questions
Robbie to All panelists	THANK YOU JAMES !!!!!!!!!!!
christine to All panelists	what groups are most likely to mount an opposition via litigation?
Robbie to All panelists	THANK YOU ALL !!! THIS WAS VERY HELPFUL.
