

The American Chestnut Foundation VT/NH Chapter FREE Membership Offer to College Students

The VT/NH Chapter of The American Chestnut Foundation® (TACF) is offering a special membership opportunity to college students in Vermont and New Hampshire who have a sincere interest in American chestnut restoration. Outreach will target students majoring in natural sciences. This is a free, one-year membership to the first 20 students who apply from each state. Students must be enrolled in an accredited college, university or community college.

This **FREE** membership is underwritten by donors to the VT/NH Chapter of TACF who have created a scholarship fund to promote student membership in TACF. The membership is valid for one calendar year from sign up date. Free memberships are available on a first come, first served basis.

Membership benefits include:

- A subscription to *Chestnut* magazine, published three times a year
- Opportunities to join TACF's regular web-based lectures and programs
- Membership in the VT/NH Chapter with opportunities to participate in chapter efforts to restore the American chestnut

See the accompanying page of this document to learn more about how your membership will help the efforts of TACF to restore the American Chestnut to its natural range in the Appalachian Mountain region from Maine to Alabama.

Please email the information below, plus a digital copy of your current student ID card to: Gary Hawley at gary.hawley@uvm.edu.

Complete all fields before submitting. Be sure to include mailing address to receive *Chestnut* magazine
